Sale and Altrincham Conservation Volunteers October 2018 to January 2019

All one-day activities take place on Sundays. New volunteers are always welcome! If you are interested in coming to an activity please contact one of the listed co-ordinators to say so, and to confirm details (there may be a last-minute change).

We usually meet at the work site at 10 a.m., but for any given date the co-ordinators will confirm the plan and may be able to advise on transport options. Ordnance Survey grid references are given below where possible.

This programme and other information about the group are available on our website, www.sacv.co.uk. We are also on Facebook at www.facebook.com/SaleandAltrinchamConservationVolunteers or Twitter at @SACVManchester.

If for any reason you have difficulty getting in touch with an activity's listed co-ordinators, contact any of the other co-ordinators on this programme, or get in touch at www.sacv.co.uk/contact.
